We at the Everson Police Department feel that one of the advantages of living in a small community is that neighbors take care of each other. One of the services provided by the Everson Police Department is the coordination of a Block or Neighborhood Watch. If you are interested in starting a Block Watch in your neighborhood, please contact Officer Matthew Thompson, mthompson@ci.everson.wa.us.

BE PREPARED BEFORE A FLOOD

Floods can happen anytime and anyplace. And they can happen fast:

- If you don't have a flood insurance policy, contact your insurance agent today. If you have purchased a policy, review your policy with your agent and ask questions to make sure you have the proper amount of coverage.
- Keep your flood insurance policy and insurance agent's contact information on hand in the event you need to file a claim.
- Copy important documents (mortgage papers, deed, passport, bank information, etc.). Keep copies in your home and store originals in a secure place outside the home, such as a bank safe deposit box.
- Take photos of your possessions (furniture, antiques and collectibles, musical instruments, electronic equipment, etc.). Store copies with your other important documents.
- Save receipts for expensive household items (appliances, electronic equipment, etc.) as proof of original cost.
- Make an itemized list of other possessions, such as clothing, books, and small kitchen appliances. The more comprehensive your list, the better.
